MEMORANDUM FOR THE RECORD

25X1  
SUBJECT: Justification for Completing  
[redacted] PAR's 214 and 215

25X1  
25X1  
25X1  
1. Justification of these increased costs and the desirability of completing PAR's 214 and 215 was discussed by [redacted] with both [redacted] NPIC/P&DS, and has been made a matter of record. Furthermore, in telephone conversation between [redacted] on 2 March 1965, regarding the above, [redacted] stated that NPIC should initiate the message with an information copy to him. He further stated that as he understood the contract, the Technical Representative has full authority to shift the effort and funds to any and all PAR's so long as it does not affect the overall time and dollar value of the contract.
